This song is a fairly easy song, only using simple chords. Strumming is very soft.

Intro:

A Asus A open Asus

Verse:

A Asus A open Asus

Farther the lands you have ever imagine Deeper than even the oceans of blue

A Asus A C

An open horizon is waiting like morning Waking the dreamer who's living in

G

you

Chorus:

C G Ami F C
So now go with the wind at your back and the sun on your face

G Ami F C G Ami
With a song in your heart and the promise of grace Go in peace and in truth

F C G F C G F
And let love lead your way Go With God Go With God

Verse 2:

A Asus A G
Stronger than will in the soul of a fighter Higher than hope in the heart
D
of a child

A Asus A
There is a longing, a yearning inside us That's reaching for heaven and

F G
won't be denied

(Repeat Chorus)

(Guitar solo- keep playing chords: C-G-Ami-F for solo)

(Repeat Chorus and fade)
