## Love Me For What I Am Carpenters

One of the finest songs Karen Carpenter ever sang, here s my take of the piece.

Comments and/or corrections are most welcomed (Ronald\_sibala@yahoo.com)

Love Me For What I Am (Carpenters)

F#

We fell in love

G#

On the first night that we met

Ρm

Together we ve been happy

Bbm

I have very few regrets

F#

The ordinary problems

rm

Have not been hard to face

Bbm F#

But lately little changes

G#sus4 G#

Have been slowly taking place

 $\mathbf{F}\mathbf{m}$ 

You re always finding

Bbm F# G#7sus - G#7

Something is wrong in what I do

Fm Bbm

But you can t rearrange my life

F# G#

Because it pleases you

Chorus:

F# G# F# C# G#

You ve got to love me for what I am

Bbm

For simply being me

F#

Don t love me for what you intend

G#sus4 G#

Or hope that I will be

Fm

And if you re only using me

Bbm Fm

To feed your fantasy **Bbm** 

You re really not in love

F# G#sus G# C#

So let me go, I must be free

F#

If what you want

G#

Isn t natural for me

Fm

I won t pretend to keep you

Bbm

What I am, I have to be

F#

The picture of perfection

Fm

Is only on your mind

Bbm

F#

For all your expectations

G#sus G#

Love can never be designed

Fm Bbm

We either take each other

F# G#7sus - G#7

For everything we are

Fm Bbm

Or leave the life we ve made behind

F# G#

And make another start

(Repeat Chorus)

Coda: (First 4 lines Chorus Chords)

(Repeat last four lines of chorus)

(Repeat last two lines of chorus)
