

One Of Me

Carrie Hope Fletcher

Hello ;) This original Carrie s song is very easy ;)
The chords that I use are the originals of the song
I hope you like it

Chords - **Am D G Em**

Capo on 1st

Am

You lured me with a kiss

Am

and you made sure I would miss you

G

then disappeared

D

You got a hold then left me in the cold

Em

with the silence falling (Yes Doctor Who reference!)

Am

You knew I wasn t right for you

Am

But still you made me fight for you

G

Time after time

D

Em

And I was naive to think it wouldn t please you to hurt me

but now I got news for you

Am

D

G

There s more to me than meets the eyes

Em

Don t patronise me

Am

D

G

I ve met guys like you a thousand times,

Em

but there s only one of me

Am D G Em

Am D G Em

Am

I couldn t tell

Am

I was under your spell

G

now it s far too late

D

Now everything I do well I do it all for you

Em

coz I can t help it

Am

Why do you need my love

Am

When there s so many others

G

you ve trapped before

D

If you don t know baby just let me go

Em

I m ready to fight

Em

coz babe I got news for you

Am

D

G

There s more to me than meets the eyes

Em

Don t patronise me

Am

D

G

I ve met guys like you a thousand times,

Em

but there s only one of me

D

You ll hold me and please me

Am

Then love me and leave me

G

Am

The way that you tease me ain t fair

D

But two can play games

Am

and i m placing the blame

G

Em

coz of what we became in the end

Am

D

G

There s more to me than meets the eyes

Em

Don t patronise me
