Intro: **F#m A E**

**F#m A E**  
Dry lightning cracks across the skies  
**F#m A E**  
Those storm clouds gather in her eyes  
**F#m A**  
Her Daddy was a mean ole mister  
**E**  
Mama was an angel in the ground  
**F#m A**  
The weather man called for a twister  
**E**  
She prayed blow it down

**F#m A**  
There s not enough rain in Oklahoma  
**E**  
To wash the sins out of that house  
**F#m A**  
There s not enough wind in Oklahoma  
**E**  
To rip the nails out of the past

**F#m A E**  
Shatter every window till it s all blown away  
**F#m A E**  
Every brick, every board, every slamming door flown away  
**F#m**  
Till there s nothing left standing  
**A E**  
Nothing left to yesterday  
**F#m A E**  
Every tear-soaked whiskey memory blown away  
**F#m A E**  
Blown away

**F#m A E**  
She heard those sirens screaming out  
**F#m A E**  
Her daddy laid there passed out on the couch
