**Carrie Underwood**

Intro: **Ebm** **C#** (x2)

**Ebm**  
Jenny grew up wild, like a blackfoot daisy

**C#**  
Out in the shack with a blue tick hound

**B**  
Broke as hell, but blessed with beauty

**C#**  
The kind that a rich man can't turn down

**Ebm**  
She caught the eye of an oil man dancing

**C#**  
One summer night in a dime store dress

**B**  
She had the looks, he had the mansion

**C#**  
And you can figure out the rest

**Ebm**  
He was all roses, dripping in diamonds, sipping on champagne

**Ebm** **C#**  
She was all uptown, wearing that white gown, taking his last name

**B**  
She could hear those church bells ringing, ringing

**F#** **Ebm**  
And up in the loft, that whole choir singing, singing

**C#** **B**  
Fold your hands and close your eyes

**F#**  
Yeah, it's all gonna be alright

**Ebm**  
And just listen to the church bells ringing, ringing

**C#** **Ebm**  
Yeah, they're ringing

**Ebm**  
Jenny was hosting Junior League parties

**C#**  
And having dinner at the country club

**B**  
Everyone thought they were Ken and Barbie

**C#**  
But Ken was always getting way too drunk

**Ebm**

Saturday night, after a few too many

**C#**

He came home ready to fight

**B**

And all his money could never save Jenny

**C#**

From the devil living in his eyes

**Ebm**

It was all bruises, covered in makeup, dark sunglasses

**Ebm**

**C#**

And that next morning, sitting in the back pew, praying with the baptist

**B**

She could hear those church bells ringing, ringing

**F#**

**Ebm**

And up in the loft, that whole choir singing, singing

**C#**

Jenny slipped something in his Tennessee whiskey

**C#**

No law man was ever gonna find

**B**

And how he died is still a mystery

**C#**

But he hit a woman for the very last time

**B**

She could hear those church bells ringing, ringing

**F#**

Standing there in a black dress singing, singing
