You wanna get out but he s holding you down

Cause you can t live without one more touch

**Ebm C# F#**  
He s a good time cowboy casanova  
**B Bb**

A snake with blue eyes  
**B Bb**  
And he only comes out at night  
**B Bb**  
Gives you feelings that you don t want to fight  
**Ebm F# C# B (3x) Ebm**  
You better run for your life

(verse 2)

I see that look on your face you ain t hearing what I say  
So I ll say it again cause I know where you been  
And I know how it ends, you can t get away  
Don t even look in his eyes  
He ll tell you nothing but lies  
And you wanna believe, but you won t be deceived
