**F**  
Hello you long shots, you dark horse runners  
  
Hairbrush singers, dashboard drummers  
**Bb** **F**  
Hello you wild magnolias just waiting to bloom  
**C** **Bb** **Dm**  
There s a little bit of all that inside of me and you  
**Gm** **F/B** **Eb** **F**  
Thank God even crazy dreams come true

**Bb**  
I ve stood at the bottom of some walls  
**F**  
I thought I couldn t climb  
**Bb**  
I felt like Cinderella at the ball  
**Dm F**  
Just running out of time  
**Bb** **C**  
So I know how it feels to be afraid  
**Dm**  
And think that it s all gonna slip away  
**C** **Bb**  
Hold on, hold on

Here s to you free souls, you firefly chasers  
Street climbers, porch swingers, air guitar players  
Heres to you fearless dancers shaking walls in your bedrooms  
There s a lot of wonder left inside of me and you  
Thank God even crazy dreams come true

**Dm** **C**  
Never let a bad day be enough  
**Dm** **C**  
To go and talk you in to giving up  
**Dm** **C** **G7**  
Sometimes everybody feels like you  
**Bb** **F**  
Oh, feels like you, just like you

I ve met some go getters, some difference makers  
Small town heroes and big chance takers  
I ve met some young hearts with something to prove  
Oh yeah

Here s to you long shots, you dark horse runners

Hairbrush singers and dashboard drummers  
Here s to you wild magnolias just waiting to bloom  
There s a little bit of all that inside of me and you
