Hold on, hold on

Here s to you free souls, you firefly chasers

Street climbers, porch swingers, air guitar players

Heres to you fearless dancers shaking walls in your bedrooms

Oh, feels like you, just like you

Small town heroes and big chance takers

I ve met some young hearts with something to prove

Hairbrush singers and dashboard drummers
Here s to you wild magnolias just waiting to bloom
There s a little bit of all that inside of me and you
