Hairbrush singers, dashboard drummers

D A

Hello you wild magnolias just waiting to bloom

E D F#m

There s a little bit of all that inside of me and you

Bm A/B G A

Thank God even crazy dreams come true

D

I ve stood at the bottom of some walls

Α

I thought I couldn t climb

D

I felt like Cinderella at the ball

F#m A

So I know how it feels to be afraid

F#m

And think that it s all gonna slip away

E D

Hold on, hold on

Here s to you free souls, you firefly chasers Street climbers, porch swingers, air guitar players Heres to you fearless dancers shaking walls in your bedrooms There s a lot of wonder left inside of me and you Thank God even crazy dreams come true

Never let a bad day be enough

F#m I

To go and talk you in to giving up

Oh, feels like you, just like you

I ve met some go getters, some difference makers Small town heroes and big chance takers I ve met some young hearts with something to prove Oh yeah
