F# **E**
I m flat on the floor with my head down low
B **E**
Where the sky can t rain on me anymore
F# **E**
Don t knock on my door cause I won t come
B **E** **F#**
I m hiding from storm till the damage gets done

E **B** **F#**
Baby, baby, baby, baby tell me why
E **B** **F#**
You gotta make me, make me, make me, make me cry, oh Lord
E **B** **F#**
If I told you once I told you a thousand times
G#
You can t knock me off my feet
C#
When I m already on my knees

(refrão)

Baby, baby, baby, baby tell me how
You think you re gonna live without my love now
I don t know why you gotta keep coming around
Creeping up my street
Boy you can t bother me

(refrão)

F#m **A**
You ain t gonna get to me tonight
F#m
I ll lay right here til it all blows through
I ain t gonna raise my body
C#
Till there ain t no sign, till there ain t no sign
Till there ain t no sun to you
