Where the sky can t rain on me anymore

Don t knock on my door cause I won t come  
**D** **G** **A**  
I m hiding from storm till the damage gets done

**G** **D** **A**  
Baby, baby, baby, baby tell me why  
**G** **D** **A**  
You gotta make me, make me, make me, make me cry, oh Lord  
**G** **D** **A**  
If I told you once I told you a thousand times  
**B**  
You can t knock me off my feet  
**E**  
When I m already on my knees

Baby, baby, baby, baby tell me how  
You think you re gonna live without my love now  
I don t know why you gotta keep coming around  
Creeping up my street  
Boy you can t bother me

**Am** **C**  
You ain t gonna get to me tonight  
**Am**  
I ll lay right here til it all blows through  
I ain t gonna raise my body  
**E**  
Till there ain t no sign, till there ain t no sign  
Till there ain t no sun to you
