Intro: G Cadd9 Em7 D/F#
 She remembers the nights he d come calling
His yellow-silk tie
                                            D/F#
             Em7

 Then one day as the nights grew longer
Cadd9
                         Em7
 Blackberry winter in a little white church

Forever changed
Somedays she ll talk about aunt Rosie
Cadd9
The sister she lost
        Em7
Asking when she s coming over
        D/F#
And why she hasn t called
Somedays I just hold her fragile hand
Cadd9
As Tom crawls across the floor
     Em7
Somedays it just kills me
                                        Cadd9
             D/F#
Watching her memories slip away a little more
