

Good In Goodbye
Carrie Underwood

Verso 1:

I heard you laughing in a crowd outside a restaurant we used to go to
I caught a glimpse that stopped me in my tracks
It took me back
You looked happy with that little girl on your shoulders, happy
I know where she got those crystal eyes of blue
Time s been sweet to you

Refrão:

As bad as it was, as bad as it hurt
I thank God I didn t get what I thought that I deserved
Sometimes life leads you down a different road
When you re holding on to someone that you gotta let go
Someday you ll see the reason why
Sometimes, yeah sometimes, there s good in goodbye

Verso 2:

I don t regret it the time we had together I won t forget it
But we both ended up where we belong
I guess goodbye made us strong
And yeah I m happy I found somebody too who makes me happy
And I knew one day I ll see you on the street
And it d be bittersweet

Refrão:

As bad as it was, as bad as it hurt
I thank God I didn t get what I thought that I deserved

Sometimes life leads you down a different road
When you're holding on to someone that you gotta let go
Someday you'll see the reason why
Sometimes, yeah sometimes, there's good in goodbye

Yeah, yeah

Outro:

As bad as it was, as bad as it hurt
I thank God I didn't get what I thought that I deserved
Sometimes life leads you down a different road
When you're holding on to someone that you gotta let go
Someday you'll see the reason why
Yeah someday you'll see the reason why
There's good in goodbye, yeah
There's good in goodbye
