

Good In Goodbye
Carrie Underwood

Verso 1:

I heard you laughing in a crowd outside a restaurant we used to go to
I caught a glimpse that stopped me in my tracks
It took me back
You looked happy with that little girl on your shoulders, happy
I know where she got those crystal eyes of blue
Time s been sweet to you

Refrão:

As bad as it was, as bad as it hurt
I thank God I didn t get what I thought that I deserved
Sometimes life leads you down a different road
When you re holding on to someone that you gotta let go
Someday you ll see the reason why
Sometimes, yeah sometimes, there s good in goodbye

Verso 2:

I don t regret it the time we had together I won t forget it
But we both ended up where we belong
I guess goodbye made us strong
And yeah I m happy I found somebody too who makes me happy
And I knew one day I ll see you on the street
And it d be bittersweet
