G

I ve been down

C

Now I m blessed

G

C

I felt a revelation comin around

G

I guess it s right

C

It s so amazing

G

C

Everytime I see you, I m alive

Am

You re all I ve got

D

You lift me up

Am

C

The sun and the moonlight

D

All my dreams are in your eyes

Chorus:

G

C

I wanna be inside your heaven

Am

Take me to the place you cry from

Am

C

D

Where the storm blows you away

G

C

I wanna be the one to hold you

Am

C

Every bit of air you re breathing in

D

A soothing wind

G

I wanna be inside your heaven

Bridge:

Am

C

When minutes turn to days and years

Am

D

If mountains form I ll still be here

Am

C

D

Holding you until the day I die

I wanna be inside your heaven

Take me to the place you cry from

Where the storm blows you away
I wanna be inside your heaven
Take me to the place you cry from
Where the storm blows you away
I wanna be the one to hold you
Every bit of air you re breathing in
A soothing wind
I wanna be inside your heaven
