

**Inside Your Heaven**  
**Carrie Underwood**

**G**

I ve been down

**C**

Now I m blessed

**G**

**C**

I felt a revelation comin around

**G**

I guess it s right

**C**

It s so amazing

**G**

**C**

Everytime I see you, I m alive

**Am**

You re all I ve got

**D**

You lift me up

**Am**

**C**

The sun and the moonlight

**D**

All my dreams are in your eyes

Chorus:

**G**

**C**

I wanna be inside your heaven

**Am**

Take me to the place you cry from

**Am**

**C**

**D**

Where the storm blows you away

**G**

**C**

I wanna be the one to hold you

**Am**

**C**

Every bit of air you re breathing in

**D**

A soothing wind

**G**

I wanna be inside your heaven

Bridge:

**Am**

**C**

When minutes turn to days and years

**Am**

**D**

If mountains form I ll still be here

**Am**

**C**

**D**

Holding you until the day I die

I wanna be inside your heaven

Take me to the place you cry from

Where the storm blows you away  
I wanna be inside your heaven  
Take me to the place you cry from  
Where the storm blows you away  
I wanna be the one to hold you  
Every bit of air you re breathing in  
A soothing wind  
I wanna be inside your heaven
