Inside Your Heaven Carrie Underwood

F I ve been down Now I m blessed I felt a revelation comin around I guess it s right Вb It s so amazing Вb Everytime I see you, I m alive You re all I ve got You lift me up Вb The sun and the moonlight All my dreams are in your eyes Chorus: BbI wanna be inside your heaven Take me to the place you cry from Bb Where the storm blows you away Bb I wanna be the one to hold you Every bit of air you re breathing in A soothing wind I wanna be inside your heaven Bridge: Gm Bb When minutes turn to days and years If mountains form I ll still be here Вb Holding you until the day I die I wanna be inside your heaven

Take me to the place you cry from

Where the storm blows you away
I wanna be inside your heaven
Take me to the place you cry from
Where the storm blows you away
I wanna be the one to hold you
Every bit of air you re breathing in
A soothing wind
I wanna be inside your heaven
