

Inside Your Heaven
Carrie Underwood

F#

I ve been down

B

Now I m blessed

F#

B

I felt a revelation comin around

F#

I guess it s right

B

It s so amazing

F#

B

Everytime I see you, I m alive

G#m

You re all I ve got

C#

You lift me up

G#m

B

The sun and the moonlight

C#

All my dreams are in your eyes

Chorus:

F#

B

I wanna be inside your heaven

G#m

Take me to the place you cry from

G#m

B

C#

Where the storm blows you away

F#

B

I wanna be the one to hold you

G#m

B

Every bit of air you re breathing in

C#

A soothing wind

F#

I wanna be inside your heaven

Bridge:

G#m

B

When minutes turn to days and years

G#m

C#

If mountains form I ll still be here

G#m

B

C#

Holding you until the day I die

I wanna be inside your heaven

Take me to the place you cry from

Where the storm blows you away
I wanna be inside your heaven
Take me to the place you cry from
Where the storm blows you away
I wanna be the one to hold you
Every bit of air you re breathing in
A soothing wind
I wanna be inside your heaven
