## Inside Your Heaven Carrie Underwood

F# I ve been down Now I m blessed I felt a revelation comin around F# I guess it s right It s so amazing F# В Everytime I see you, I m alive G#m You re all I ve got C# You lift me up G#m The sun and the moonlight All my dreams are in your eyes Chorus: F# I wanna be inside your heaven Take me to the place you cry from Where the storm blows you away F# I wanna be the one to hold you Every bit of air you re breathing in C# A soothing wind F# I wanna be inside your heaven Bridge: G#m В When minutes turn to days and years If mountains form I ll still be here В Holding you until the day I die I wanna be inside your heaven

Take me to the place you cry from

Where the storm blows you away
I wanna be inside your heaven
Take me to the place you cry from
Where the storm blows you away
I wanna be the one to hold you
Every bit of air you re breathing in
A soothing wind
I wanna be inside your heaven
