

Leave Love Alone
Carrie Underwood

Couldn't find this song so decided to try and have a go myself so probably isn't correct!

Capo 5

Chords Used - **C, G, F**

Intro - **G**

G **C** **F**
Funny how love can make you feel
G **C** **F**
Crush you like a ton of steel
G **C** **F**
Fake you out, make you think it's real
G **C** **F**
Funny how love can make you feel
G C G F
Ooh, Ooh, yeah

G
I just can't leave love alone
C
I just can't leave love alone
G
I just can't leave love alone
F
I just can't leave love alone, hey

G

G **C** **F**
Ain't it funny how love can make you fly
G **C** **F**
Sweetest buzz and the highest high
G **C** **F**
When you can't walk to the other side
G **C** **F**
Ain't it funny how love can make you fly
G C
Ooh, I can't stop it
G C F
Ooh, gotta have it, want it, I can't help it

G
I just can't leave love alone

C

I just can t leave love alone

(Can t leave it alone)
