## Leave Love Alone

```
Carrie Underwood
Couldn t find this song so decided to try and have a go myself so probably isn t
correct!
Capo 5
Chords Used - C, G, F
Intro - G
                   C
Funny how love can make you feel
Crush you like a ton of steel
Fake you out, make you think it s real
Funny how love can make you feel
G C G F
Ooh, Ooh, yeah
I just can t leave love alone
I just can t leave love alone
I just can t leave love alone
I just can t leave love alone, hey
G
                            С
Ain t it funny how love can make you fly
Sweetest buzz and the highest high
When you can t walk to the other side
Ain t it funny how love can make you fly
G C
Ooh, I can t stop it
Ooh, gotta have it, want it, I can t help it
```

I just can t leave love alone

```
C
I just can t leave love alone

(Can t leave it alone)

G
I just can t leave love alone

F
I just can t leave love alone, hey

G

G

C
F
Burn me once, but it don t sink in

G
C
F
I just keep coming back again, yeah, yeah

G
I just can t leave love alone

C
I just can t leave love alone
```
