

**Leave Love Alone**  
**Carrie Underwood**

Couldn't find this song so decided to try and have a go myself so probably isn't correct!

Capo 5

Chords Used - **Bb, F, Eb**

Intro - **F**

**F**                                **Bb**                **Eb**  
Funny how love can make you feel  
**F**                                **Bb**                **Eb**  
Crush you like a ton of steel  
**F**                                **Bb**                **Eb**  
Fake you out, make you think it's real  
**F**                                **Bb**                **Eb**  
Funny how love can make you feel  
**F Bb F Eb**  
Ooh, Ooh, yeah

**F**  
I just can't leave love alone  
**Bb**  
I just can't leave love alone  
**F**  
I just can't leave love alone  
**Eb**  
I just can't leave love alone, hey

**F**

**F**    **Bb**                **Eb**  
Ain't it funny how love can make you fly  
**F**    **Bb**                **Eb**  
Sweetest buzz and the highest high  
**F**    **Bb**                **Eb**  
When you can't walk to the other side  
**F**    **Bb**                **Eb**  
Ain't it funny how love can make you fly  
**F Bb**  
Ooh, I can't stop it  
**F Bb Eb**  
Ooh, gotta have it, want it, I can't help it

**F**  
I just can't leave love alone

**Bb**

I just can t leave love alone

(Can t leave it alone)

**F**

I just can t leave love alone

**Eb**

I just can t leave love alone, hey

**F**

**F**

**Bb**

**Eb**

Burn me once, but it don t sink in

**F**

**Bb**
