## Leave Love Alone Carrie Underwood

Couldn t find this song so decided to try and have a go myself so probably isn t correct!

Capo 5

Chords Used - D, A, G

Intro - A

A D G

Funny how love can make you feel

A D G

Crush you like a ton of steel

A D G

Fake you out, make you think it s real

A D G

Funny how love can make you feel

A D A G

Ooh, Ooh, yeah

Α

I just can t leave love alone

D

I just can t leave love alone

А

I just can t leave love alone

G

I just can t leave love alone, hey

Α

A D G

Ain t it funny how love can make you fly

A D G

Sweetest buzz and the highest high

---

When you can t walk to the other side

Ain t it funny how love can make you fly

ΑD

Ooh, I can t stop it

A D G

Ooh, gotta have it, want it, I can t help it

A

I just can t leave love alone

```
I just can t leave love alone

(Can t leave it alone)

A

I just can t leave love alone

G

I just can t leave love alone, hey

A

A

D

G

Burn me once, but it don t sink in

A

D

G

I just keep coming back again, yeah, yeah

A

I just can t leave love alone

D

I just can t leave love alone

A

I just can t leave love alone

D

I just can t leave love alone

C

D

I just can t leave love alone

D

I just can t leave love alone

C

A

I can t leave it alone
```
