

Nobody Ever Told You
Carrie Underwood

So, I've looked everywhere for chords this song and couldn't find them. So I decided to figure them out myself. They seem pretty simple just by listening to the song. PLEASE correct me if I'm wrong :)

Enjoy :)
May need fine tuning, just tell me :)

Nobody Ever Told You- Carrie Underwood
Capo 2

[Intro]

C F 2x

[Verse]

C

Take off all the makeup girl

F **C** **F**

Shine your light, show the world

Wish you could see yourself the way I do

[Chorus]

C **F**

Nobody ever told you

C **F**

Nobody ever told you

C

You shine like a diamond

Glitter like a gold

F

And you need to know

C **F**

When nobody ever told you

C **F**
Yeah
C **F**
La la la la la

[Verse]

C
Mirror mirror on the wall
F **C** **F**
Acting like he knows it all
C
Tells you lies of vanity
F **C** **F**
He doesn't care what's underneath

Pre Chorus

C
All hung up on the negative
F
Doesn't have to be the way it is
Am **G**
Wish you could see yourself the way I do

[Chorus]

C **F**
Nobody ever told you
C **F**
Nobody ever told you
C
You shine like a diamond

Glitter like a gold
F
And you need to know
C **F**
When nobody ever told you

[Instrumental]

C **F** 5x?

[Bridge]

C
Free as a bird, Up on a watch
F
Just like a flower growing wild
C **F**
You're beautiful, you're beautiful

[Chorus]

C **F**
Nobody ever told you

C **F**
Nobody ever told you

C
You shine like a diamond Glitter like a gold

F
And you need to know

C **F**
When nobody ever told you

C
You shine like a diamond Glitter like a gold

F
And you need to know

C **F**
When nobody ever told you

C **F**
Yeah

C **F**
La la la la la
