Smoke Break
Carrie Underwood

Intro: **Eb**

Verse:
```
        Eb                                              C#
 She s a small-town, hard-working woman just trying to make a living
                      G#                                        Eb
 Working three jobs, feeding four little mouths in a run-down kitchen
         Eb                                        C#
 When you never taking nothing and doing nothing but giving
               G#                                       Eb
 It s hard to be a good wife and a good mom and a good Christian
```

Chorus:
```
C#          G#           Eb
 She said, I don t drink
                          C#
 But sometimes I need a stiff drink
               G#
 Sipping from a high, full glass
                        Eb
 Let the world fade away
C#          G#           Eb
 She said, I don t smoke
                          C#
 But sometimes I need a long drag
              G#
 Yeah, I know it might sound bad
                         Eb              C#     G#     Eb
 But sometimes I need a smoke break
```

Verse:
```
          Eb                                           C#
 He s a big-city, hard-working man just trying to climb the ladder
          G#                                  Eb
 First generation to go to college instead of driving a tractor
         Eb                                       C#
 Never had nothing handed to him on a silver platter
                        G#                                      Eb
 It s hard to be a good man, good son, do something good that matters
```

Chorus:
```
C#          G#           Eb
 He said, I don t drink
                            C#
 But sometimes I wanna pop that top
                 G#
 Take a swig and make the world stop
```

```
                       Eb
 And watch it fade away
C#        G#          Eb
 He said, I don t smoke
                        C#
 But sometimes I wanna light it up
           G#
 Yeah, when things get tough
                       Eb           C#    G#    Eb
 Sometimes I need a smoke break

Instrumental: ( Eb      C#      G#       Eb )

Bridge:
C# G#   Eb                                   C#
 So here s to you and here s to when the day gets long
       G#                               Eb
 Go ahead, I understand if you wanna take a load off

Chorus:
(G#)          Eb
 I don t drink
                     C#
 But sometimes I need a stiff drink
                G#
 Sipping from a high, full glass
                        Eb
 Let the world fade away
C#          G#          Eb
 She said, I don t smoke
                       C#
 But sometimes I need a long drag
                   G#
 Yeah, I know it might sound bad
                      Eb
 But sometimes I need a
                     (G#)
 Sometimes I need a

Outro:
Eb
 When the day gets long
C#
 When the work s all done
G#
 When the sun sets
           Eb            C#    G#
 When you need to forgeeeeeeet
Eb
 Grab that cup, mmm
C#
 Fill it up
  G#
```

```
 Sip it slow
                    Eb              C#     G#     Eb
 And let it aaaaaaall go

End: ( Eb )
```
