

Someday When I Stop Loving You  
Carrie Underwood

Intro-

**F C G F** x2

**F C G F**  
One foot on the bus about half past nine  
**F C G F**  
I knew that you were leaving this time  
**F C G F**  
I thought about laying down in its path  
**F C G F**  
Thinking that you might get off for that

**F C G F**  
I remember that night we laid in bed  
**F C G F**  
Naming all our kids that we hadn't had yet  
**F C G F**  
One for your grandma and one for mine  
**F C G F**  
Said we'd draw straws when it came time

**Am G C F**  
I'll move on baby just like you  
**F C** **Dm Dm7**  
When the desert floods and the grass turns blue  
**G C F**  
When a sailing ship don't need her moon  
**F C Dm**  
It'll break my heart but I'll get through  
**F C Dm Am G C F**  
Someday when I stop loving you

**F C G F**

**F C G F**  
I bet all I had on a thing called love  
**F C G F**  
I guess in the end it wasn't enough  
**F C G F**  
And it's hard to watch you leave right now  
**F C G F**  
I'm gonna have to learn to let you go somehow
