Something In The Water
Carrie Underwood

Intro: **C#**   **Eb**   **C#**   **Eb**

        C#
He said I ve been where you ve been before
    Eb
Down every hallway s a slamming door
  C#
No way out, no one to come and save me
  Eb
Wasting a life that the Good Lord gave me
     C#
Then somebody said what I m saying to you
Eb
Opened my eyes and told me truth
      C#
He said just a little faith and it ll all get better
      Eb
So I followed that preacher man down to the river and now I m

Chorus:
G#   **Cm**
 Changed
         Fm **C#**
And now I m stronger
                     G#   **Cm**
There must ve been something in the water
                        Fm   **C#**
Oh there must ve been something in the water

Verse:
     C#
Well I heard what he said and I went on my way
       Eb
Didn t think about it for a couple of days
     C#
Then it hit me like a lightning late one night
    Eb
I was all out of hoping, all out of fight
      C#
Couldn t fight back my tears so I fell on my knees
       Eb
Saying God if you re there come and rescue me
  C#
Felt love pouring down from above
      Eb
Gotta washed in the water, washed in the blood and now I m

```
  Chorus:
G#      Cm
  Changed
                 Fm    C#
  And now I m stronger
                                     G#        Cm
  There must be something in the water
                                         Fm      C#
  Oh there must be something in the water

  Bridge:
                 G#
  And now I m singing all along to Amazing Grace
        Cm
  Can t nobody wipe this smile off my face
        Fm
  Got joy in my heart, angels on my side
     C#
  Thank God Almighty, I saw the light
           G#
  Gonna looked ahead, no turning back
    Cm
  Live everyday, give it all that I have
     Fm
  Trusting someone bigger than me
          Eb
  Ever since the day that I believed I am

  Chorus:
G#      Cm
  Changed
                 Fm   C#
  And now I m stronger
                                     G#        Cm
  There must be something in the water
                                         Fm      C#
  Oh there must be something in the water
                                     G#        Cm
  There must be something in the water
                                         Fm      C#
  Oh there must be something in the water
```
