G **C** **D**
Cause it s been on now for three days straight, his been nowhere to be found
Em **G**
Probably drowning in the neon, where the wagon broke down

Another night of no sleepin

[Chorus]

C **D**
Round and around and around they go
Em **D**
Will it end? Nobody knows

Spinnin rooms, spinnin wheels, spinnin outta control

But one down, two down, three down, four

C **D**
Round and around and around they go
Em **D**
Will it end? Nobody knows
