

## Undo It

Carrie Underwood

(intro 2x) **G#m B F# C#**

**G#m** **B**  
I should have known by the way you passed my by  
**F#** **C#**  
There was something in your eyes and it wasn't right  
**G#m** **B**  
I should have walked, but I never had the chance  
**F#** **C#**  
Everything got out of hand, and I let it slide  
**G#m** **B**  
Now I only have myself to blame

For falling for your stupid games

I wish my life could be the way  
**Ebm** **F#**

Took the lonely and took me for a ride

And I wanna uh-uh-uh-uh-uh undo it  
**G#m**  
You had my heart, now I want it back  
**F#**  
I'm starting to see everything you lack
