

**Were Young And Beautiful**  
**Carrie Underwood**

We re Young and Beautiful  
Tabbed by: angel\_of\_music

Watching a video, I saw that the guitarist shifted. So here s one way to play it:

```

e|-----|
B|-----|
G|-----5---| repeat
D|---5h7-7-5h7-7--12p11-12p11--5h7-7-7--7-5-5-----|
A|-----|
E|-----|

```

This is the same, but it s easier to play because you don t have to shift.

```

e|-----|
B|-----|
G|-----7p5-7p5-----5---| repeat
D|--5h7-7-5h7-7-----5h7-7-7--7-5-5-----|
A|-----|
E|-----|

```

^^^^^^^^^^^^^^^^

I play this one for the intro because I can get more of the distortion.

To play the rest of the song, I suggest playing the one submitted by pighinator found

[http://\\*?id=31258](http://*?id=31258). If you notice, you can still hear the riff out the song. So when you play the A chord. Just imagine this tab for the riff...

```

e|-----|
B|-----3p2--3p2-----|
G|--0h2--2--0h2--2-----0h2--2--2--2--0--0--| repeat
D|-----|
A|-----|
E|-----|

```

...and blend it in with the A chord like this

```

e|--0---0--0---0---0---0---0---0--0--0--0--0--|
B|--2---2--2---2---3p2--3p2---2---2--2--2--2--|
G|--0h2--2--0h2--2---2---2---0h2--2--2--2--0--0--|
D|--2---2--2---2---2---2---2---2--2--2--2--2--|
A|--0---0--0---0---0---0---0---0--0--0--0--0--|
E|-----|

```

You can be the judge of the strums.
