```
D#m7        F#
Today is gonna be the day
            C#                        G#
That they re gonna throw it back to you
D#m7          F#
By now you should ve somehow
C#                        G#
Realized what you gotta do
D#m7                    F#
I don t believe that anybody
C#                G#          B        C      G#
Feels the way I do about you now
```

[Same as 1st Verse]
Backbeat the word was on the street
That the fire in your heart is out
I m sure you ve heard it all before
But you never really had a doubt
I don t believe that anybody feels
The way I do about you now

```
   B                  C#                    D#m7
And all the roads we have to walk along are winding
   B                C#                    D#m7
And all the lights that lead us there are blinding
B              C#
There are many things that I would
F#        F#/F    D#m7
Like to say to you
     C#              G#
But I don t know how
```

```
      B     D#m7    F#
Because maybe
      D#m7                    B        D#m7    F#
You re gonna be the one who saves me ?
   D#m7       B   D#m7   F#
And after all
         D#m7       B     D#m7
You re my wonderwall
```

[Repeat Same Chords per verse as shown before]
Today was gonna be the day?

But they ll never throw it back to you
By now you should ve somehow
Realized what you re not to do
I don t believe that anybody
Feels the way I do
About you now

And all the roads that lead to you were winding
And all the lights that light the way are blinding
There are many things that I would like to say to you
I don t know how

I said maybe
You re gonna be the one who saves me ?
And after all
You re my wonderwall

I said maybe
You re gonna be the one who saves me ?
And after an
You re my wonderwall

Said maybe
You re gonna be the one that saves me
You re gonna be the one that saves me
You re gonna be the one that saves me
