A#m **G** **D** **Asus4**

I ll love you till we re black and we re blue

A#m **G** **D** **Asus4**

There s no words I could say to make me change

A#m **G** **D** **Asus4**

My mind s made up, my thoughts stay the same

A#m **G**

Baby, I love you

Asus4 **D**

We ll make it through

G

The hole in my head is from the fire in your tongue

D **Asus4**

Our fights with the sink, our fights in the sun

D **G**

The rinse in my hands, the bills on these strings

D **Asus4**

But I ll make it work, cause there are our dreams

A#m **G** **D** **Asus4**

I ll love you till we re black and we re blue

A#m **G** **D** **Asus4**

There s no words I could say to make me change

A#m **G** **D** **Asus4**

My mind s made up, my thoughts stay the same

A#m **G**

Baby, I love you

Asus4 **D**

We ll make it through
