On & On (feat. Daniel Levi)
Cartoon

E
Hold me close til I get up
G#m
Time is barely on our side
F#   C#m
I don t want to waste what s left

E
The storms we chase are leading us
G#m
And love is all we ll ever trust
F#   C#m
Yeah, no I don t want to waste what s left

    E   G#m
And on and on we ll go
               F#
Through the wastelands through the highways
        C#m
To my shadow to the sun rays
    E   G#m
And on and on we ll go
               F#
Through the wastelands through the highways

And on and on we ll go

(**E G#m F# C#m**)

E
Finding life along the way
G#m
Melodies we hadn t played
F#
No I don t want no rest
E
Echoing around these walls
G#m
Fighting to create a song
F#   C#m
I don t want to miss a beat

    E   G#m
And on and on we ll go
               F#
Through the wastelands through the highways
        C#m

```
To my shadow to the sun rays
     E                    G#m
And on and on we ll go
                F#
Through the wastelands through the highways

And on and on we ll go

(E G#m F# C#m)

            E
And we ll grow in number
                              F#
Fueled by thunder, see the horizon
          C#m
Turn us into thousands
            E
And we ll grow in number
                              F#
Fueled by thunder, see the horizon
            C#m
Turn us into thousands

     E                    G#m
And on and on we ll go
                F#
Through the wastelands through the highways
        C#m
To my shadow to the sun rays
     E                    G#m
And on and on we ll go
                F#
Through the wastelands through the highways
      C#m
And on and on we ll go        (E G#m F# C#m)
```
