Drawn into the stream of undefined illusion

C D E Esus4 E

E C#m D Bm

If ever our love was concealed
No one can say that we didn't feel a million things
And a perfect dream of life

Gone, fragile but free
We remain tender together
If not so in love, it's not so wrong
We're only human after all

These changing years
They add to your confusion
Oh and you need to hear the time that told the truth
Because there is something about you baby so right
I wouldn't be here without you baby tonight

There is something about you baby so right
I wouldn't be here without you baby tonight
