Intro:

Bb C D Dsus4 D Bb C

D Bm C

How how can it be

Am D

That a love carved out of caring

Bm C Am D

Fashioned by fate could suffer so hard from the games played once too often

Bm C Am D

But making mistakes is a part of life s imperfection

Bm

Born of the years

C Am D

Is it so wrong to be human after all?

Bb C D Dsus4 D

Drawn into the stream of undefined illusion

Bb

Those diamond dreams

C D Dsus4 D

They can t disguise the truth

Bb C D Dsus4 D

That there is something about you baby so right

Bb C D Dsus4 D

I wouldnt t be here without you baby tonight

D Bm C Am

If ever our love was concealed
 D **Bm** **C**
No one can say that we didn't feel a million things
 Am **D**
And a perfect dream of life

Bm **C**
Gone, fragile but free
 Am **D**
We remain tender together
 Bm **C**
If not so in love, it's not so wrong
 Am **D**
We're only human after all

Bb
These changing years
 C **D Dsus4 D**
They add to your confusion
 Bb **C** **D Dsus4 D**
Oh and you need to hear the time that told the truth
 Bb **C** **D Dsus4 D**
Because there is something about you baby so right
 Bb **C** **D** **Dsus4 D**
I wouldn't be here without you baby tonight

Bb **C** **D Dsus4 D**
There is something about you baby so right
 Bb **C** **D** **Dsus4 D Dsus4 D**
I wouldn't be here without you baby tonight
