

**Cant Stop The Rain**  
**Cascada**

How, how am I supposed to feel

**C G**

When everything surrounding me

**Dm C**

Is nothing but a fake disguise

**Dm G**

I don t know,

**C**

I don t know where I belong

**Dm G**

It s time for me to carry on

**Em Dm**

I ll say goodbye

**G E E7**

I can t stop the rain from fallin

**Am**

I m drownin in these tears I cry

**G**

Since you left without a warning

**Am**

I face the dawn with sleepless eyes

**G**

No I can t go on

**C Am**

When clouds are pushin down on me, boy

**G**

**Dm**

**C**

I can t stop, I can t stop the rain

**Am**

**Dm G**

From fallin

**Am**

So, tell me where I went wrong

**C G**

I m stuck inside a dream long gone

**Dm C**

It s hard to reveal the truth

**Dm G**

Your love,

**C**

Is nothing but a bitter taste

**Dm G**

It s better if I walk away,

**Em Dm**

Away from you

**G**

**E**

**E7**

I can t stop the rain from fallin

Im drownin in these tears I cry

Since you left without a warning

I face the dawn with sleepless eyes

No I can t go on

When clouds are pushin down on me, boy

I can t stop, I can t stop the rain

From fallin
