Lucky guy, you're the one who has her love

When it used to be me.

**Bm** **G**  
Do you know that there once was a time  
**D** **Bm**  
When she said, said she'd always be mine?  
**G** **A**  
Oh, that's when my friend said I  
**D-Daug** " **G-A-**

**D** **Daug**  
Lucky guy, now she's yours and yours alone,  
**G** **Gm**  
While I watch from afar.

Lucky guy, how I wonder if you know  
**G** **A**  
Just how lucky you are.

**Bm** **G** **D**  
Oh, if I hadn't been such a fool, she's be mine,  
**Bm**  
She'll still love me, not you.

Oh, I'd give anything if I were still the lucky guy.
