The kind of girl you hear about but never see in real life

Everyone needs something, everyone wants love			
C	C/B		
She s lying in my bed in just her underwear

She s laughing at the words I say			
C			
Yeah, we re kissing and we re touching			
C/B	Am	F	
Underneath the covers listening to Marvin Gaye

I hear her whispering I love you right before I fall asleep

A boy can dream, dream, dream, a boy can dream, dream, dream
