

Our Great God  
Casey Darnell

Verse 1

**Bm**                      **D**

You are light in the Darkness,

**G**

You are hope for the hopeless,

**Bm**                      **D**                      **G**

You are the god who never fails.

**Bm**                      **D**

You are full of compassion,

**G**

You are love everlasting,

**Bm**                      **D**                      **G**

You are the god who never fails.

Pre Chorus

G                    A                    G  
Through it all your love never changes,  
                         A                    G                    A  
Through it all there is nothing to fear.

## Chorus

D  
Your name we re lifting higher,  
Bm  
Your glory our desire,  
A  
Your praise we ll sing forever,  
G A  
Our Great God, Our Great God, Woah!  
D  
No strength no power greater,  
Bm  
No equal to our savior,  
A  
Your the name above all others,  
G A  
Our Great God, Our Great God, Woah!

Verse 2

You are life and freedom,  
We will live for your kingdom,  
For all the world to know your name.  
You are strong through the ages,  
Our song for all generations,  
Our mighty god has come to save.  
Through it all your love never changes,

Through it all there is nothing to fear.

Bridge

**G** **D**

All our hope has been fulfilled,

**A** **Bm**

Death exchanged for life.

**G** **D**

Perfect love has been revealed,

**A** **Bm**

Our god is alive.

Chorus 2

Hold **D**

Your name we re lifting higher,

Your glory our desire,

Your praise we ll sing forever,

Our Great God, Our Great God, Woah!
