Angel
Casey Donahew Band

 [Intro]
(On the G chord hammer on the E string)
G D Cadd9 G x2

[Verse]
G   D   Cadd9   G
Her wings are broken, and she never prays
          D   Cadd9   G
And that old halo on her head has seen better days
            D   Cadd9   G
She knows he s watching, she feels him there
      D   Cadd9   G
And it breaks her heart to think the weight was too much bare

[Chorus]
         D   Cadd9 G
She s an angel that s lost her way
         D   Cadd9 G
She s an angel from another day
              Cadd9   G G/F# Em
She may be the devil, sent to lead me a stray
      Cadd9   D(pick e b g strings)   **G D Cadd9 G**
But I think she s an angel... that s lost her way

[Instrumental]
G D Cadd9 G

[Verse]
            D   Cadd9   G
She s got lines running up her arms like an L.A. Freeway
                      D   Cadd9   G
I ve dropped her off at rehab 7 times but she just won t stay
               D   Cadd9   G
She never climbed a mountain but she s seen her share of stone
        D   Cadd9   G
She got locked up in Johnson County for selling pills and blow

[Chorus]
         D   Cadd9   G
She s an angel that s lost her way
       D   Cadd9   G
She s an angel from another day
              Cadd9   G G/F#   Em
She may be the devil, sent to lead me a stray
      Cadd9   D   **G D Cadd9 G**
But I think she s an angel... that s lost her way

[Bridge]
```
            D                   Cadd9         G
She s got 3 kids that don t know her name
              D                     Cadd9             G
She s sold her body a couple of times to ease the pain
              D          Cadd9           G
She wakes up screaming, her face full of tears
              D          Cadd9            G
She s only 29 but she s aged beyond her years
```

[Chorus]
```
            D               Cadd9   G
She s an angel that s lost her way
          D           Cadd9   G
She s an angel from another day
              Cadd9            G   G/F#   Em
She may be the devil, sent to lead me a stray
        G                 D
But I think she s an angel
        G                 D
Ya I think shes an angel
          G                 D(pick e b g)
Well I know shes an angel
              G D Cadd9 G
Whos lost her way
```

[Outro]
G D Cadd9 G
