VERSES:

**B F# A B**  
I went up to New York City, well its a Yankee pity  
**B F# E**  
Those crazy bastards don t have a clue

I went down to Tennessee, Rocky Top I had to see  
But I left there because the corn won t grow  
I went down to New Orleans, let me tell you bout that scene  
Well I got drunk on Bourbon Street

CHORUS:

**B F# A B**  
And I been up all night sippin on whiskey drinkin beer  
**B F# E**  
A-back home in Texas wouldnt live anywhere but here  
**B F# A B**  
Thinkin bout all those nights I spent so far away  
**B F# E E**  
But I m back home in Texas and this is where I m goona stay

I went out to California, my friends I have to warn yuh  
They got a kick-ass drink out there  
And Las Vegas took all my money, didnt think that it was funny  
I lost two grand but I got drunk  
In Colorado seekin gold, snow it gets real old  
Its hard to ski in cowboy boots

[Chorus]

Oklahoma s near, but its not home I fear  
Got a better view from the south  
And Mexico s too hot, dont think that its my spot  
Never heard of Shiner Bar

[Chorus]
