C# Db  
G# Ab  
D# Eb

X = Silence Chord(stop playing)

Intro: **C Em** x2

Verse:

**C** **Em**  
Used to set my life on cruise control

**C**  
Days just rollin on

**Em**  
Thought I was doing all right alone

**F** **G**  
Then I saw your smile, and then you looked my way

**X**  
And everything changed

CHORUS:

**C** **Em**  
And I dont know how I got by

**F**  
How I survived life living without you

**C** **Em**  
Know now what I was missin

**F**  
Cause I ve wanted to kiss you since the day that I found you

**C** **Em**  
Now everything makes sense to me

**F** **X**  
I never knew that love can be so sweet

Verse 2: Palm Mute

**C** **Em**  
Your love has taken me to a place

**C**  
A place I want to be

**Em**

Gets better with every breath I breathe

**F**

It lets your lovin ways

**G**      **X**

Fall on me like rain every day

CHORUS

**Am**

**Em**

Every time we talk

**F**

Every time we touch

**G**

Every time I look in your eyes I see how lucky I am

CHORUS
