

You'll Owe Me
Casey Shock

C **G** **D** **EM**
Welcome to this city where the girls they are so pretty
C **G** **D**
But mostly from the outside in
C **G** **D** **EM**
Consider this your warning, they will leave you wanting
C **G** **D**
Wishing you could take it back

C **G**
Youâ€™ll owe me one, youâ€™ll owe me one
D **EM**
Youâ€™ll owe me one when it comes undone
Youâ€™ll owe me one, youâ€™ll owe me one
Youâ€™ll owe me one when it comes undone

This oneâ€™s for the ladies and it might seem kind of crazy
But I promise itâ€™s not friendly jealousy
Donâ€™t wana see you open, leaving your heart broken
Cause then you will come crying back to me
