

Dreams Come True Girl
Cass McCombs

This is a really simple and laid back song (my first tab aswel). Enjoy!

Intro - C Em Am Am F G C C

(Chorus)

 C Em
You re not my dream girl,
 Am
You re not my reality girl,
 F G C
You re my dreams come true girl

(Verse)

C Em Am
All the troubles in my past
F G C
thats just what they are
C Em Am
And all the delusions that of post and passed
 F G C
Have only made my immunity strong

(Chorus)

 C Em
You re not my dream girl,
 Am
You re not my reality girl,
 F G C
You re my dreams come true girl

(2nd Verse)

Em Am Em Am
I ve been blessed, Your eyes are two moons
Em Am Em Am
I hope this voyage will not be ending very soon...
Em Am Em Am
To scry in orbit, With these mirrors of perfection
Em Am Em Am
To die in the arms, Of your affection

Em Am
What land is this?
Em Am
May I never wake
