

**Silhouettes**

**CASS**

[Intro] **G Bm A**

**G**

You fill the skies with all Your wonder

**A**

You saw the light was good

**G**

The colours flash as light wins over

**A**

The darkness can t intrude

**G**

If Your love was a light

**E**

It will never end its shine

**A**

Like a diamond in the rough it glows

**G**

So much beauty in sight

**Bm**

You can see it through the night

**A**

Like a precious stone You know it shows

**G**

Your love shines in the darkness

**Bm**

**A**

I am caught up in Your light like a silhouette

**G**

Your light always finds me

**D**

**Bm**

I got nowhere else to hide

**A**

Like a silhouettes

Silhouette

( **G B A** )

( **G Bm A** )

**G**

Its about that time now

As you know I ain t never been right here before

**A**

Cause I m just bout to find out

**G**

As you know I ain t never stepped foot through these doors

**A**

You know the way to go cause You are in control

**B**

So I surrender all
