

**Told You So**  
**Cassadee Pope**

CAPO on the first fret!

Verse 1:

**Em**  
Your voice is like a ghost inside my head  
**Em**  
you whisper lies to try and hurt me again  
**A**  
all the times you've doubted me you'll see  
**Am** **D**  
I was always better than you made me out to be...

Chorus:

**Em** **C**  
Not going to let you down, let you down easy  
**G** **D**  
You're going to feel it inside it's going to eat you alive  
**Em** **C**  
When I walk away, walk away believe me  
**G** **D** **Em**  
the pain will say I told you so...  
**G**  
ohhh oh.

Verse 2:

**Em**  
Tearing off the grip you've had on me  
**Em**  
Time has told me you will never be what I need...  
**A**  
The ashes from the hell you've put me through...  
**Am** **D**  
They will be the memories what's left of me and you...

Chorus:

**Em** **C**  
Not going to let you down, let you down easy  
**G** **D**  
You're going to feel it inside it's going to eat you alive  
**Em** **C**  
When I walk away, walk away believe me  
**G** **D** **Em, C, G, D**  
the pain will say I told you soooooo
