

**Told You So**  
**Cassadee Pope**

CAPO on the first fret!

Verse 1:

**Fm**  
Your voice is like a ghost inside my head  
**Fm**  
you whisper lies to try and hurt me again  
**Eb**  
all the times you ve doubted me you ll see  
**Bbm** **Eb**  
I was always better than you made me out to be...

Chorus:

**Fm** **C#**  
Not going to let you down, let you down easy  
**G#** **Eb**  
You re going to feel it inside it s going to eat you alive  
**Fm** **C#**  
When I walk away, walk away believe me  
**G#** **Eb** **Fm**  
the pain will say I told you so...  
**G#**  
ohhh oh.

Verse 2:

**Fm**  
Tearing off the grip you ve had on me  
**Fm**  
Time has told me you will never be what I need...  
**Eb**  
The ashes from the hell you ve put me through...  
**Bbm** **Eb**  
They will be the memories what s left of me and you...

Chorus:

**Fm** **C#**  
Not going to let you down, let you down easy  
**G#** **Eb**  
You re going to feel it inside it s going to eat you alive  
**Fm** **C#**  
When I walk away, walk away believe me  
**G#** **Eb** **Fm, C#, G#, Eb**  
the pain will say I told you soooooo

Bridge:

**Bbm**            **C#**  
All your promises

**Bbm**            **C#**  
To all my dreams were never

**G#**                                **Eb**  
Meant to be... You never believed in me

**Bbm**            **C#**  
Hiding your regrets,

**Bbm**            **C#**  
You ll come back wanting me to

**G#**                                **Eb** (one strum)  
Fall in your arms... Who do you think you are?

(soft strumming):

**Fm**                                **C#**                                **G#**            **Eb**  
Not going to let you down, let you down easy, no....

**Fm**                                **C#**                                **G#**  
When I walk away, walk away believe me the pain will

**Eb**  
Say I told you so, whoaa

(continue strumming **Fm**, **C#**, **G#**, and **Eb** through-out the rest of the song!)
