

Told You So
Cassadee Pope

CAPO on the first fret!

Verse 1:

Dm
Your voice is like a ghost inside my head
Dm
you whisper lies to try and hurt me again
G
all the times you've doubted me you'll see
Gm **C**
I was always better than you made me out to be...

Chorus:

Dm **Bb**
Not going to let you down, let you down easy
F **C**
You're going to feel it inside it's going to eat you alive
Dm **Bb**
When I walk away, walk away believe me
F **C** **Dm**
the pain will say I told you so...
F
ohhh oh.

Verse 2:

Dm
Tearing off the grip you've had on me
Dm
Time has told me you will never be what I need...
G
The ashes from the hell you've put me through...
Gm **C**
They will be the memories what's left of me and you...

Chorus:

Dm **Bb**
Not going to let you down, let you down easy
F **C**
You're going to feel it inside it's going to eat you alive
Dm **Bb**
When I walk away, walk away believe me
F **C** **Dm, Bb, F, C**
the pain will say I told you soooooo

Bridge:

Gm **Bb**
All your promises

Gm **Bb**
To all my dreams were never

F **C**
Meant to be... You never believed in me

Gm **Bb**
Hiding your regrets,

Gm **Bb**
You ll come back wanting me to

F **C** (one strum)
Fall in your arms... Who do you think you are?

(soft strumming):

Dm **Bb** **F** **C**
Not going to let you down, let you down easy, no....

Dm **Bb** **F**
When I walk away, walk away believe me the pain will

C
Say I told you so, whoaa

(continue strumming **Dm**, **Bb**, **F**, and **C** through-out the rest of the song!)
