

Told You So
Cassadee Pope

CAPO on the first fret!

Verse 1:

Ebm

Your voice is like a ghost inside my head

Ebm

you whisper lies to try and hurt me again

G#

all the times you ve doubted me you ll see

G#m

C#

I was always better than you made me out to be...

Chorus:

Ebm

B

Not going to let you down, let you down easy

F#

C#

You re going to feel it inside it s going to eat you alive

Ebm

B

When I walk away, walk away believe me

F#

C#

Ebm

the pain will say I told you so...

F#

ohhh oh.

Verse 2:

Ebm

Tearing off the grip you ve had on me

Ebm

Time has told me you will never be what I need...

G#

The ashes from the hell you ve put me through...

G#m

C#

They will be the memories what s left of me and you...

Chorus:

Ebm

B

Not going to let you down, let you down easy

F#

C#

You re going to feel it inside it s going to eat you alive

Ebm

B

When I walk away, walk away believe me

F#

C#

Ebm, B, F#, C#

the pain will say I told you soooooo

Bridge:

G#m **B**
All your promises
G#m **B**
To all my dreams were never
F# **C#**
Meant to be... You never believed in me
G#m **B**
Hiding your regrets,
G#m **B**
You ll come back wanting me to
F# **C#** (one strum)
Fall in your arms... Who do you think you are?

(soft strumming):

Ebm **B** **F#** **C#**
Not going to let you down, let you down easy, no....
Ebm **B** **F#**
When I walk away, walk away believe me the pain will
C#
Say I told you so, whoaa

(continue strumming **Ebm**, **B**, **F#**, and **C#** through-out the rest of the song!)
