It s a basic G - D - Am - C pattern throughout.

G D Am C

G D Am C

G

Since you ve been gone

D Am C

All I wanted was for you to come

G D

Back to me and say sorry

Am C

Baby I was wrong

G D

But I waited my faith is strong

Am C

This hurt could be undone

G D

Time goes by and hope subsides

Am C

I fell for way too long

G D

I don t know when it changed

Am C

Cause I was always imagining

G

We d be together

D Am C

Cause I loved you

G D

But Now you re standing here

Am

I realized

C

I m really healed

G D

Cuz I feel better

Am C

Than I thought I could do

G D

I cried so many nights

Am C

Wishing you were by my side

G D Am C

My heart s so tired of breaking

G **D**
Suddenly here you are
Am **C**
You re saying all the words
G **D** **Am**
I was waiting for
C **G**
But I don t want you no more

D Am C
G D Am C

G **D**
You got the same smile you did before
Am **C**
It used to make me weak in the knees
G **D**
That look in your eyes used to drive me wild
Am **C**
But I already made my peace
G **D**
Who knew there could come a time
Am **C**
When you said yes and I said no
G
Cause I missed you so long
D
And since you been gone
Am **C**
I ve been trying to let you go

G **D**
I don t know when it changed
Am **C**
Cause I was always imagining
G
We d be together
D **Am** **C**
Cause I loved you
G **D**
But Now you re standing here
Am
I realized
C
I m really healed
G **D**
Cuz I feel better
Am **C**
Than I thought I could do

G **D**
I cried so many nights
Am **C**

Wishing you were by my side

G **D** **Am** **C**

My heart s so tired of breaking

G **D**

Suddenly here you are

Am **C**

You re saying all the words

G **D** **Am**

I was waiting for

C **G** **D**

But I don t want you no more

Am **C** **G** **D**

No more sleeping with the lights turned on

Am **C** **G** **D**

No more weeping cause you didn t come home

Am **C** **G** **D**

No more lonely inside this heart

Am **C** **G**

Your love don t live here anymore

G **D**

I cried so many nights

Am **C**

Wishing you were by my side

G **D** **Am** **C**

My heart s so tired of breaking

G **D**

Suddenly here you are

Am **C**

You re saying all the words
